Industry & Business Outlook
Industry Overview

The Indian retail industry has emerged as one of the most dynamic and fast-paced industries due to the entry of several new players. It accounts for over 10 per cent of the country’s Gross Domestic Product (GDP) and around 8 per cent of the employment. India is the world’s fifth-largest global destination in the retail space.

India’s retail market is expected to grow at a Compound Annual Growth Rate (CAGR) of 10 per cent to US$ 1.6 trillion by 2026 from US$ 641 billion in 2016.

The Indian retail industry is one of the fastest growing in the world. Retail industry in India is expected to grow to US$ 1.3 trillion by 2020, registering a Compound Annual Growth Rate (CAGR) of 16.7 per cent over 2015-20.

India’s population is taking to online retail in a big way. The online retail market is expected to grow from US$ 6 billion to US$ 70 billion during FY15-FY20.
Industry Overview

**Indian Luggage Market**

- The segment – which is growing around 18% CAGR – is extremely streamlined and is looking at a good next few years. According to a report by Ken Research, the Indian luggage industry will reach Rs 102,857 million by FY’2018.

- The overall luggage market in the country stood at between Rs 3,000 crore to Rs 4,000 crore in 2016, according to market estimates, with approximately 50% of this dominated by organised players.

- Samsonite, V.I.P and Safari constitute approximately 95% of the total organised sector of the luggage industry. Brands like Da Milano, Delsey, Tommy Hilfiger constitute the rest. V.I.P is the leader with an almost 47% market share, followed closely by Samsonite (45%). Safari accounts for the rest.

**Women’s Handbag Market**

- The total fashion accessory retail market is worth Rs 15,557 crore, growing at 18 per cent to 19 per cent and is expected to touch Rs 25,306 crore by 2017 according to India Retail Report 2015.

- The presence of brands is extremely limited in this sector as the most of the market is dominated by unbranded players. However, with an eye on the rapid growth in this sector, brands like Louis Vuitton, Hermès, and Swarovski have launched their exclusive accessory line in India.

- Apart from the home grown brands like Hidesign, Da Milano, Caprese, Holii, Lino Perros, Esbeda, Baggit, Blue & Blues, international brands like Michael Kors, Guess, Gucci, Burberry, Hermès, and Louis Vuitton are strengthening their footprint in the retail sector.
### Long Term Business Strategy

#### Phase I
**Scaling up the existing Business**
- To scale up the business and footprints, company intend to sign up major distributors/dealers to get easy access to new market,
- Increase online penetration that would bring sustainability in revenues,
- Scaling up the existing product line via EBO’s and MBO’s,

#### Phase II
**Adding New Brands & Products**
- While continuing to scale up existing brands & categories, company would focus on adding new brands,
- There are lots of International brands that could be added to the catalogue,
- Secure licenses to may be 2-4 new international brands to increase the brand portfolio,
- Continue to scale up online business.

#### Phase III
**Scaling up the existing Business**
- Taking the entire business to from the current scale to a well known fashion house.
- Focus on penetration the young population through online distribution.
Geographical Footprints

There are a lot of International Brands that could add to the catalogue over time.
